

## **South Atlantic LCC**

Setting a course for a sustainable landscape

### **A message to all members of South Atlantic LCC**

**Thank you for joining the website and welcome to the (usually) monthly email newsletter from the South Atlantic LCC. This newsletter will serve as a regular update on LCC progress and will highlight new resources available on the website. Feel free to forward this newsletter to others who may be interested.**

*News from Ken McDermond, SALCC Coordinator*

### **Partnership in Perspective**

We now have an active partnership in place consisting of agencies, organizations, and individuals who are engaged in the success of the South Atlantic LCC. In the formal sense, we have a steering committee consisting of leaders from fourteen organizations...

*News from Rua Mordecai, SALCC Science Coordinator*

### **Update from May 3-5 Optimal Conservation Strategy Workshop**

Despite some last minute travel restrictions, we managed to get a good diversity of conservation perspectives represented at the May 3-5 Workshop. That included folks from National Park Service, EPA, NCASI (representing the forest products industry), the Nature Conservancy, NRCS, FWS...
