

# SOUTH ATLANTIC

## LANDSCAPE CONSERVATION COOPERATIVE

---

### **2016-2017 Blueprint implementation strategy**

*Work plan approved by Steering Committee, in priority order*

#### **Support** Blueprint uses to facilitate specific conservation action

Use the Blueprint to bring in new resources through nationally competitive proposals

Integrate the Blueprint into organizational policy

Clear barriers for the next big uses of the Blueprint

#### **Improve** the Blueprint; take it to the next level

Support existing Blueprint improvement projects

Improve Blueprint documentation

Develop time-bound targets

Update indicators

Improve corridors

#### **Promote** the Blueprint

Give smaller group trainings and talks within and across organizations

Give formal presentations and talks at meetings/conferences
