SALCC Initiates Strategic Planning

Your South Atlantic LCC has initiated an effort to develop a high level Strategic/Business Plan. We are launching a short survey to gather input from our web community and others. [Read more](#)

Conservation of Cultural Resources?

A topic I've been deliberating lately has been focused on cultural resources and what does "conservation of cultural resources" mean for the SALCC? [Read More](#)

New Addition to Your SALCC Staff

I am pleased to introduce...[Read More](#)

SALCC Project: Sea Level Rise and Coastal Species

Watch a video on Investigation of the effects of sea level rise on sea turtle, shorebird, seabird, and beach mouse nesting distributions within the South Atlantic LCC region, one of the projects selected to support LCC conservation planning. [Watch Here](#)

How to Add Content to the South Atlantic LCC Website

Part 1: Blog Posts

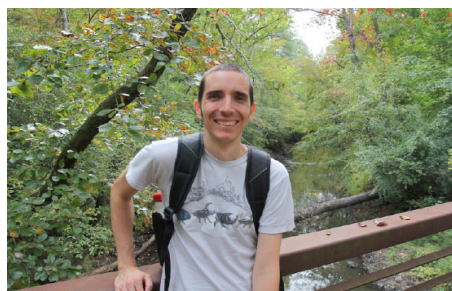

You have something to share with the web community and a blog post is one way to do it. In a blog post you can share new or upcoming tools, projects, and data that are relevant the community. [Read More](#)

New South Atlantic LCC Fact Sheet

The new South Atlantic LCC fact sheet is now available for you to download and share. [Read More](#)

My First Year as Science Coordinator

It's hard to believe that it's already been a year since I started. There's so much amazing work going on in this region. [Read More](#)
