

DRAFT 2017 BLUEPRINT WORKSHOP AGENDA

9:30-10:10 Morning overview and introduction

- Introduce the South Atlantic LCC and the Conservation Blueprint
- Review workshop goals and first set of activities

10:10-12:00 Reviewing the Blueprint

Ecosystem conditions (10:10-10:30)

- Review past workshop feedback on the condition of ecosystems in your subregion: Is anything missing? Has anything changed?
- What is the best-case scenario for the condition of your subregion?
- What is the worst-case scenario for the condition of your subregion?

Break (10:30-10:45)

Draft Blueprint 2.2 map review (10:45-12:00)

- Review and comment on the map of draft Blueprint 2.2 for your subregion

12:00-1:15 Lunch

1:15-1:45 Afternoon overview and introduction

- Introduce the next set of activities
- Check in with groups about major questions and themes

1:45-2:45 Implementing the Blueprint

- Refining a Blueprint implementation strategy: How can your cooperative make the biggest positive impact for conservation in your subregion?
 - *Supporting Blueprint users*: using the Blueprint to bring in new funding and prioritize conservation action
 - *Improving the Blueprint*: strengthening the underlying science and the interfaces so it becomes a more useful tool
 - *Promoting the Blueprint*: spreading awareness of the Blueprint

2:45-3:00 Final feedback from participants

- Individual votes on allocating capacity for implementation strategy
- Take a break if you need it

3:00-3:15 Wrap-up and next steps

- Where do we go from here?
- 5-minute survey of workshop participants
